Glastonbury Community Newsletter

Glastonbury Community www.glastonburycommunity.uk

Dear Resident,

We hope you are safe and well. We are here to let you know that you are not alone and we are still here to help.

This newsletter is made by our community.

Stay safe every one.

Community Exchange

We're encouraging residents to write letters, draw a picture for one another, send a small gesture to help others who may also be isolating.

If you would like to take part, email and we can arrange to pick it up with your next shopping trip, or by one of our lovely volunteers.

Somerset Libraries are doing a click and collect service, so that you can place and order for books, talking books and DVDs.

Mask guidance

Make sure it fits across your nose and under your chin.

If you have a washable mask, wash it after each time, without conditioner.

When going in and out of shops, avoid pulling your mask down to your neck.

Once your face mask is on, avoid touching it.

A reminder from the organisers:

We are still supporting those who need us. However, the shops are all now open as usual and there are more online delivery slots.

Morrisons – do click and collect, this does not require you to go into the store. They also have many more online delivery slots available and for doorstep deliveries call 0345 611 6111 and select option 5

Stephens Butchers and Tor Pets are both still delivering

Prescriptions - For those that have repeat prescriptions Pharmacy2U are an online pharmacy that deliver, it can just be a longer waiting time.

If you need a prescription collection or shopping delivered and have no other options, we can arrange something. For those without internet, a volunteer can help put through online shops or pick up shopping for click and collect.

There are also DBS checked carers and micro-providers who offer services like cleaning, food preparation, dog walking and shopping. If you can afford to pay someone for extra support, then please email or phone and we can recommend someone according to your needs.

Please feel free to contact us if you would like help arranging any of these services.
